TERMS and Conditions

Pricing / Custom Quotes	Prices shown are suggested list prices, F.O.B. factory, Austin, Texas. Pricing does not include delivery, freight, crating or uncrating, installation, storage, insurance, federal, state, or local taxes. Pricing on "Custom" quotes is valid for 30 days. Prices, specifications and materials are subject to change without notice.
Guaranteed Freight Pricing Program	An optional Guaranteed Freight Pricing Program offers the opportunity to provide a fixed freight cost at the time of order placement. Freight cost estimates are also available upon request from info@ekitta.com. EKITTA's Guaranteed Freight Pricing Program is not applicable to planters and hardware.
Terms	Orders will be scheduled for production after a purchase order and payment is received. Orders <\$2,500 require full payment, 50% deposit for orders >\$2,500 with the balance and shipping charges to be paid before shipment.
Ordering	<p>To expedite order entry and to assure proper service, email or mail orders to the above address. All orders emailed and then mailed, must be marked "Confirmation." EKITTA will not be responsible for duplicate orders if purchase orders are left unmarked.</p> <p>All orders must be accompanied by a written purchase order and payment. Orders will be acknowledged promptly upon receipt. The issuance of an Invoice / Acknowledgment indicates acceptance of any purchase order and is final and binding. To expedite processing, we suggest that a copy of the check be emailed to EKITTA before mailing.</p>
Change Orders / Cancellation	Acknowledged orders may be changed only by mutual agreement. Revisions and cancellations are subject to price and schedule adjustments and / or cancellation charges, as appropriate.
Warehousing	Orders will be shipped when completed and paid in full. On orders which cannot be shipped, product will be invoiced and a weekly warehousing charge will accrue 7 days after completion. Warehousing charges will be levied at 1% of the NET invoiced price per piece by product line item. Minimum weekly warehousing charge will be \$25 NET per order. Full payment of invoice and warehousing charges required before shipment.
Returns	Items may be returned only with EKITTA's written consent and shipping instructions, and with all related transportation costs to be paid by the purchaser. All returned merchandise is subject to a minimum 35% restocking charge. Customer-damaged items and custom-made items cannot be returned under any circumstance.
Damaged Merchandise / Claims	<p>Ownership of the product changes when the merchandise leaves EKITTA's dock. Any subsequent damage claim is the responsibility of the purchaser. The utmost care is used in packing and shipping. Examine merchandise carefully before giving the transportation company a clear receipt. In the event of shortage, note on the driver's bill of lading before signing, keep a copy and notify EKITTA immediately.</p> <p>Do not refuse merchandise damaged in transit. Keep product in original shipping box or container for inspection by carrier. If shipment arrives damaged or short, you should immediately file a claim with the delivery carrier. It is strongly suggested that all shipments be unpacked and inspected upon arrival at Consignee.</p> <p>No damaged freight claims can be made once the merchandise has been transported by another vehicle. If the shipment is in apparent good condition but upon opening contents are found damaged, unpacking should be stopped and an inspector of the transportation company should be called to examine the shipment.</p> <p>Submittal of claims must be made to the transportation company within 10 days of receipt. Photographs of visible damages to the packing as well as affected product often prove helpful in the claim submittal process.</p>
Product Design	EKITTA reserves the right to make changes in design and construction or to discontinue products without notice. All dimensions are approximate.
Warranty	EKITTA warrants its products to be free of defects in materials and workmanship for one year from date of delivery. This warranty assumes normal and correct product usage. EKITTA accepts no liability resulting from abnormal use, misuse, abuse, alteration by customer, or damage in transit. It is understood that these limitations are part of the terms and conditions of purchase of EKITTA products and by placing an order, the purchaser accepts these limitations. Option of repair or replacement under this warranty is at the discretion of EKITTA.

GENERAL Information

Shipping and Packaging

All merchandise is packed to carrier standards and inspected before shipment. All shipping dates are approximate; a specific arrival date cannot be guaranteed. All orders are shipped upon completion and payment of any balance due.

EKITTA will not drop-ship to end consumer without prior approval.

Freight company accessorial charges, such as "call before delivery", high cost area, residential delivery or inside delivery, if required or necessary, will be added to the dock-to-dock prepaid freight charge.

Title of the product changes when the merchandise leaves EKITTA's dock. Any subsequent damage claim is the responsibility of the purchaser.

Optional Guaranteed Freight Pricing Program

This program offers the opportunity to provide a fixed freight cost for dock-to-dock single shipments of furniture and accessories at the time of order placement. Planters and hardware require a freight quote.

- Determine the zone to which the products are to be shipped.
- Calculate the fixed freight cost as a percentage of the total COM/COL List of the order, including charges for any additional product options specified.
- Indicate on the purchase order "Guaranteed Freight Pricing Program".

EKITTA will select the carrier. EKITTA's invoice acknowledgment will include the pre-calculated fixed freight rate.

TERMS:

- A minimum per shipment charge of \$185 Net.
- Charges will be for "NORMAL DELIVERY TO THE DOCK" ONLY. A "CALL BEFORE DELIVERY" request requires an additional \$35 Net charge.
- If additional charges are incurred by EKITTA due to delivery issues such as redelivery, or no dock; those additional charges will be the purchaser's liability.
- Product is shipped FOB Hutto, Texas, freight prepaid.
- Title of goods changes when merchandise leaves EKITTA's dock. Any subsequent damage and all freight claims are the responsibility of the purchaser.

GENERAL Information

Care and Maintenance

Painted Steel

The polyurethane painted finish on the metal table base does not require special maintenance. Regular dusting with a soft cloth or duster is usually sufficient. If a cleaning agent seems to be necessary, we suggest your using a mild detergent spray. We recommend you treat painted surfaces as you would the paint on your car. Never use any solvent based cleaners. This includes any of the alcohol based cleaners.

Aluminum

Wash aluminum with a small amount of mild soap and a clean cloth with plenty of water. PLANTERS - We recommend installing a liner in each planter to prevent the metal from reacting to any potential chemicals from fertilizers or chemicals, etc.

Stainless Steel

Wash stainless steel with soapy water, or a mild detergent,thoroughly rinse with clean water and polish with a soft dry cloth. We recommend you treat the 3R Lids and 7R Tops silk screened ink surface as you would the paint on your car. Never use any solvent based cleaners. This includes any of the alcohol based cleaners or standard stainless steel cleaners as many have abrasives.

Glass Top

The clear glass top can be cleaned with the application of any glass or mirror spray cleaner and a soft cloth.

Marble, Granite and Quartz Top

All stone table tops are sealed with several coats of a penetrating sealer but there is no stone that is maintenance free. Normal “housekeeping” maintenance involves periodic and washing with clean water and mildly alkaline cleaners.

With a cloth wetted with cleaning solution and water, wipe the surface in small overlapping sweeps, immediately rinse with clean water, and buff with a dry soft cloth. If desired, when the surface is completely dry, a top-dressing for use on marble to prevent staining and water-spotting may be applied.

All spills should be removed immediately and water-rinsed to remove all traces of the spill. If necessary, clean the surface as described above.

Although marble, granite and quartz are hard surfaces, they are not so hard that they don't scratch. Coasters should be placed under glasses, particularly those containing liquors or citrus juices; hot-plates under heated dishes; and place mats or felt bottoms under china, ceramics, silver, and objects to prevent scratching of the polished surfaces.

Proper care of the stone table top is important to maintaining its beauty.

Plastic Laminate

To clean the surface, use a damp cloth or sponge and a mild soap or detergent. EKITTA recommends obtaining current detailed care and maintenance information directly from the plastic laminate manufacturer.

Solid Surface

For day to day cleaning, warm soapy water is recommended. Rinse and towel dry to prevent spotting.

Wood - Interior Use

EKITTA wood products are protected by a stain-resisting finish. For normal cleaning, wipe surface with a soft, damp (not wet) cloth.

GENERAL Information

Specifications

Glass	<p>Glass The standard glass which tops all tables in our pricelist. All glass is made according to government specifications (DD-G-451-C) and may contain defects. These defects are inherent in the manufacturing and are within specification. All glass has a natural green tint, and the tint is more noticeable when the glass is thicker or larger.</p> <p>Starphire Glass A clearer (less green) glass that is available. Requires a price quote from EKITTA.</p> <p>Tempered Glass Clear glass that has been manufactured to withstand greater stresses than annealed glass. Although sometimes referred to as "safety glass," it is breakable, but it will break into small blunt fragments. Requires a price quote from EKITTA.</p>
Stone	<p>Granite, marble, and quartz, listed on page 7 are the standard stone options available for table tops. An edge detail option and the type of stone must be selected when specifying. In addition to the stones listed, other marbles and granites are available; please contact EKITTA for availability and prices. EKITTA makes no attempt to guarantee consistency of color or texture of stone from piece to piece. Both marble and granite are organic products; therefore, they vary widely in color and texture. Granite is a very hard and durable stone which is impervious to most stains and requires minimal maintenance.</p> <p>Quartz Solid Surface is stain resistant, denser than granite, GreenGuard compliant, antibacterial, scratch resistant and requires minimal maintenance.</p> <p>Marble is hard and smooth, but is not completely impervious to staining and scratching.</p> <p>Antiqued marble is marble that has been treated to have a distressed surface. It is not recommended for surfaces that will be used for writing or eating.</p> <p>Honed stone surfaces are duller in appearance than polished stone surfaces and must be sealed. Some stones are available in antiqued or honed surfaces. Pricing for stone with these surfaces is advanced one grade.</p>
Wood	<p>The external wooden parts incorporated in EKITTA interior use products are the highest grade of maple, cherry or oak (where available) and ipe for exterior benches. These woods, like other natural materials, are subject to variation in grain and coloration. No guarantee will be made of an exact match to EKITTA finish samples.</p> <p>Custom wood finish samples must accompany the purchase order. Orders specifying custom wood finishes will be scheduled for production upon receipt of an approved customer's custom wood sample match. An upcharge of \$150 NET per order will apply for each custom wood finish sample.</p>
Plastic Laminate	<p>Plastic laminate pricing is based on Wilsonart -38 Fine Velvet and -60 Matte finishes. Wilsonart laminates are GREENGUARD INDOOR AIR QUALITY CERTIFIED</p> <p>Pricing will be determined by the price of the specified laminate, lead time will be based upon the availability of the laminate material. Contact info@ekitta.com for quote.</p>
Painted Metal Finishes	<p>Painted finishes are polyurethane enamel coating with superior durability and excellent impact resistance. Paint finish samples listed are considered standard finishes. All other paint finishes require a price quote from EKITTA. An upcharge of \$275 NET per order will apply for each custom solid colored paint and \$350 for each custom metallic paint.</p>
Aluminum	<p>The metal aluminum is a non-ferrous alloy that is light weight and resistant to corrosion. It can be finished to a natural silvery color or receive an anodized color. Anodizing is an oxidation process that is a permanent and integral part of the aluminum. It is available on limited product, only where noted.</p>
Stainless Steel	<p>The metal stainless steel is an iron-base alloy containing chromium, which contributes to this material's resistance to corrosion. Depending on the addition of minerals to the alloy, stainless steel's tensile strength, toughness, and corrosion resistance can be enhanced. Stainless steel's finish is a natural silvery color that is very durable and easily maintained.</p>

Cushion Options

Types

Shapes

Profiles

All cushions are dense foam with polyester fiberfill wrap. Upholstery is available in customer's own material, customer's own leather or Garrett (Grade 1 & 2) leather listed below. Contact Ekitta for a quote on other leathers offered by Garrett. Please specify application of COM if you desire it to be applied in a particular direction. COM yardage is based on 54" wide material. Square footage for COL is based on hides measuring a minimum of 50" to 55" usable square feet. The shape of the hide or hides containing excessive holes, cuts or other imperfections may make it necessary for additional leather to be requested after COL is received.

Please contact EKITTA for all COM & COL shipping instructions.

GENERAL Information

Sustainability

As industry leaders, it is our responsibility to advocate the protection and preservation of our environment. At Ekitta, we have an obligation to our clients, ourselves and the world community to promote recycling, reuse and responsibility in all policies and practices of our business.

For the manufacturing of our products, we are dedicated to the purchasing of metals from suppliers who are vested in recycling, channeling waste solvents through recovery companies and recycling all scrap metals. We strive to formulate finishes that maximize employee safety as well as minimize environmental impact. We are continuously on the lookout for the most up-to-date research and technology to improve our in-house recycling and reuse methods.

Ekitta metal products are 100% recyclable, and hand made in Austin, Texas, by skilled employees who take pride in fabricating a quality product. Each product is made to order with the finest craftsmanship and attention to detail, using materials supplied by companies located in the USA.

We owe Nature, in part, for our success and acknowledge this by striving to be environmentally sensitive in all aspects of our business. Our plant is operated on 100% wind generated power.

Recycled Materials

Steel constructed products are composed of 90 - 95% post-consumer recycled content. EKITTA plant-ers of 100% aluminum are made of 42% post-consumer and 40% pre-consumer recycled content percentages. Request order-specific environmental features reports from info@ekitta.com.

Materials used by EKITTA in packing and crating average over 80% recycled content and are 98% recy-clable. Effective packing methods and materials contribute to safe delivery reducing potential waste.

Made in America

EKITTA designs and manufactures 100% of the products in America and engages suppliers located close to our own manufacturing facility minimizing the environmental impact of our products.
